Hanover County Council of PTAs

The Hanover County Council of PTAs exists to serve our Local PTA Units. We offer support, training, and guidance to PTA leaders; provide programs to educate our PTA leaders and our families; and serve as a communication link by relaying information from the Superintendent, members of the School Board, and other levels of the PTA.

Check us out at **www.hanoverccpta.org** and follow us on Facebook! Amy Gathje is our HCC President and can be reached at **hanoverccpta@gmail.com**.
